Enjoy one of these top hotels for private beach access or as a jumping off point for sailing; perhaps wellness treatments or swimming pools are more your things - not to worry, there is something for everyone in each of these hotels presented here.

Es Princep in Palma

Located in the Barrio Calatrava, above the Baluard del Princep, in historic Palma, Es Princep is a 5-star hotel that mixes Mallorcan heritage with boutique-style luxury. Opened in early 2018, Es Princep Hotel has beautiful sea views, and elegantly designed rooms and suites. Standout highlights include a gastronomic restaurant, Bala Roja, that serves mouth-watering cuisine, and it's Coco Spa that offers top of the line beauty treatments. And did we mention the beach is just across the street?
