Six fabulous new Majorca hotels for 2018

Hotel Es Princep, Palma

February saw the opening of the five-star Hotel Es Princep, located in the Calatrava area of Palma right beside the restored ancient city walls. Guests can enjoy two pools; one in the basement spa, complemented by a hot tub, sauna and salt room; and one up on the rooftop terrace, with far-reaching views including the Bay of Palma and the cathedral. Local Michelin-starred chef Andreu Genestra is in charge of the restaurants, all-day Mura and fine-dining spot Balaroja, where menus will feature mostly island-grown ingredients.
